What Can Happen to Abused Children When They Grow Up - If No One Notices, Listens or Helps? Some Statistics from the Research For purposes of this document, abuse, and trauma, are defined as: interpersonal violence in the form of sexual abuse, physical abuse, severe neglect, loss, and /or the witnessing of violence

Parents Are Powerful Role Models for Children

These folk phrases succinctly sum up family characterizations — some complimentary, others definitely not. They all infer that parents are to blame for how kids turn out — for better or worse. Like quite a bit of other home-grown knowledge, these beliefs have, to a degree, been confirmed by researchers. Children, in general, do tend to grow up to

GET UP GROW

there are additional Get Up & Grow materials, such as posters and stickers for the setting, flyers for parents, and newsletter inserts. Staff and carers are with children in early childhood settings every day, and have an important role in children's development. The information in this book will act as a guide for

Raising Caring, Respectful, Ethical Children

thing is that you're happy," you might say "The most important thing is that you're kind and that you're happy" 2. Prioritize caring when you talk with other key adults in your children's lives. For example, ask teachers and coaches whether your children are good community members in

Children, Race and Racism: How Race Awareness Develops

Children will "naturally" grow up to be non-racist adults only when they live in a non-racist society. Until then, adults must guide children's anti-racist development. This will include the fostering of: 1) accurate knowledge and pride about one's racial/cultural identity; 2) accurate knowledge and

Module 1: Your Important Role in Monitoring Children's ...

You may already be required to monitor and screen children's development. If you work in a child care center, make sure you know and understand your center's policies on developmental monitoring, screening, and communicating with families. Understanding the important role you play, what is required of you, and being equipped with

Help Your Child Grow Up Healthy and Strong (PDF)

If you eat more calories than you use up in physical activity, you gain weight. If you eat fewer calories than you use up, you lose weight. Make a commitment to helping your family eat sensibly and move more often. Here are some tips for healthy eating to help you get started. Try to keep track of your children's meal/snack

2017 - Children's

profoundly transform what it means to grow up in North Texas. With this report, we implore each of you to treat our mission as a call to action — join us in our work to make life better for children.
